This is not what I expected as I saw your ad in a copy of Scott's American issue of Stamps Publication Do I understand that these prices marked in red ink is what these coins brot at Auction sale or what you will same coins for. Dont you issue catalogue & price list for coins. I note you advertise certain coins in the publication

Noted & gave price on same. This
Catalogue sent is not what I expected
but will keep it for future ref-

Your favor came to hand all right for which please accept thanks. Will want one or two of the proof sets quoted, but in the mean time please let me know if you can furnish proof sets (Silver & Copper) of the coins issued by the U.S. for the Philippine Islands. If so please quote best cash price for same and if satisfactory will have all come together. I am not what you might term a regular Collector but I have been picking up coins ever since I was a boy. An early reply will oblige

Yours very truly
James A. Clark.
